

the creation

He made **the creation**
without any example and without the
advice of a counsel
or the assistance of a helper.
(Sermon 155)

the earth

He created **the earth** and
suspended it,
retained it without support,
made it stand without legs,
and raised it without pillars.
(Sermon 185)

the winds

He brought out the creation
by His power
and made **the winds** blow
With His compassion.
(Sermon 1)

the moon

Then He decorated the heavens
with the stars and the light of the
meteors and set the shining sun and the
bright **moon** in an orbit that rolls around.
(Sermon 1)

the night

Praise be to Allah
when **the night** falls
and darkens,
and praise be to Allah
when the stars shine and set.
(Sermon 48)

the sun

Look at
the sun and the moon,
the plants and the trees,
the water and the stones,
at the alteration of day and night,
the gush of the oceans,
the great number of the mountains
and the height of their peaks,
at the difference of languages
and the variety of tongues.

(Sermon 185)
