

## Resources on Qur'an

“Learn the Qur'an for it is the best of narrations, and understand it thoroughly for it is the best blossoming of the hearts. Seek cure with its' Light for it is the cure of the hearts. Recite it beautifully for it is the most beneficial of narrations.” Imam Ali (AS)

### Multilingual Qur'an

<http://quran.al-islam.org/>

This section in the <http://al-islam.org>

website contains a fully searchable Qur'an with Arabic text, three searchable English translations by Shakir, Abdullah Yusufali and Pickthal, and commentary by Agha Puya / S.V. Mir Ahmed Ali.

Examples of two simple searches:

- 1) Search by selecting from the list of Chapters (Surah) and specifying the verses (aayaat). Specify the translator (and commentary if required) and press Display, or
- 2) In the search section type in the word you are looking for, specify the translator and it will list out all the verses that contain that word.

### Quran recitation

<http://tanzil.net/#1:1>

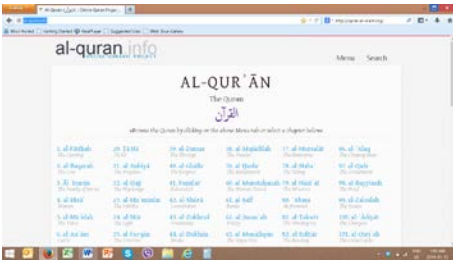

Beautiful website for

- 1) Improving your recitation of the Holy Qur'an. You can select from many reciters and follow the text of the Qur'an as you listen to their recitation
- 2) You can even specify the number of times you want an verse to be repeated
- 3) And you can choose from various translations to display one as the verse is displayed

### Online Quranic Project

<http://al-quran.info/>

Translation by Sh Ali Quli Qarai is searchable in this website by:

- 1) Clicking on the name of the Chapter (Surah). All Chapters start with a brief description of the contents followed by ayah by ayah Arabic text, transliteration and translation
- 2) Clicking on the Menu button on the top right corner will take you to a screen allowing browse by you.
- 3) Clicking the Search button allows search by word. This then lists out all the verses that contain that word

Sh Ali Quli Qarai’s translation uses simple English well suited for our children.

**Quran Topic Index**

<http://scholaris.com/quranicindex/index.htm>

This site contains index of the Qur’an by topic arranged in alphabetic order.

It lists keywords in alphabetical order with ease of search provided by clickable alphabets. For each keyword a list of Qur’anic references are provided which give clickable Chapter:Verse (Surah/Aya) numbers. Clicking on these references takes you straight to the verse and gives translations of Yusufali, Shakir and Pickthall but no Arabic text
