

My Book about Imam Ali (as)

Written by: Aamina Sheriff Jivraj

**The World Federation's
Islamic Education team
presents:**

My Book About Imam Ali (as) sheds light on the noble attributes of our first Imam (as) and important events that took place in his lifetime.

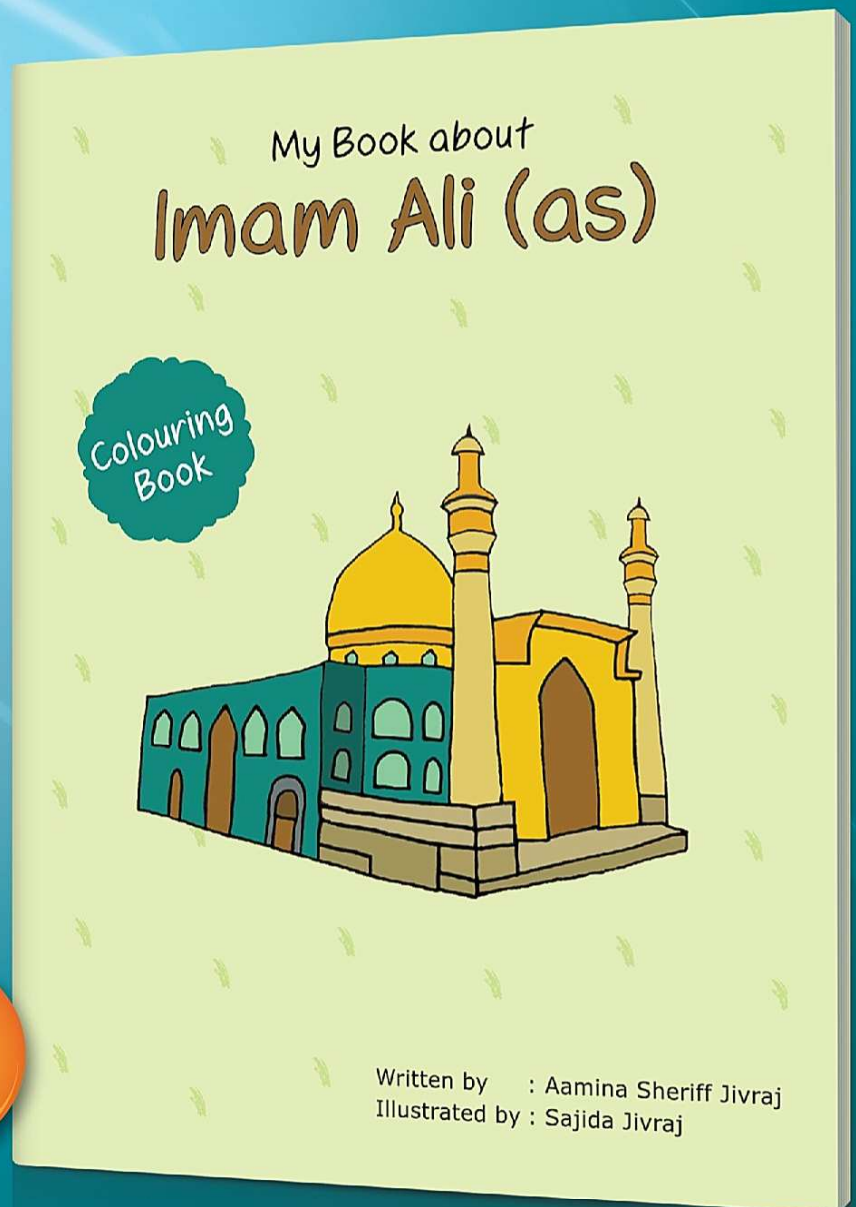

The bold and vibrant illustrations are intended to bring the character and life of Imam Ali (as) to life and inspire young children to follow in his example.

In addition, drawings provided in the book for children to colour, will enable them to interact more fully with the stories and enjoy their learning experience.
